Coffee

We proudly serve the 'Brazil + Burundi' blend by All Things Bloom. This is a blend of beans from Brazil and Burundi with tasting notes of dark chocolate and fudge, with muscovado sugar and a hint of vanilla and nougat. The finish results in forest fruits with dark fudge.

Our decaffeinated coffee is a Colombian single origin coffee with initial aromas of marzipan, leading to candied lemon. The finish has a lingering brown sugar note complimenting the palate.
